## What Students Say

The Academy is really good for aspirants in Navi Mumbai. what makes it different from others is the faculties are engaged with even average students & is quite helpful too. fees are genuine for students. It was a really good experience.

**AKSHITA  
SHARMA**

It is the best Institute for any competitive exam preparation such as for banking exams SSC, MPSC, RAILWAY, UPSC, and NDA. The number of students is very much limited per batch, so that faculty can give time to each one of them.

**MANOJ AHIRE**

Rise Academy is one of the best coaching centres for engineering. I have joined the rise academy for the 3rd year of engineering. After coaching I successfully score with distinction without any KT. Best Academy in Navi Mumbai.
