FEES IN SWISS FRANCS and include VAT where applicable

**INVOICING**
The total amount of the school fees is payable at the beginning of each academic year. The payment delay is 30 days. Once enrollment has been confirmed, students will be charged the totality of mandatory fees as a lump sum (art. 160 & ff, Code des Obligations) even if they do not take up their place at the start of term or complete the academic year. xxxx

**DOWN PAYMENT [reservation]**
After confirmation of admission to EHL, students are required to pay an advance on school fees of CHF 6'000 in order to guarantee their place. This amount is non-refundable, except in extreme circumstances. The down payment amount will be deducted from the total amount due by the student.

**DEPOSIT [REIMBURSED THE END OF ONE’S STUDIES]**
A deposit of CHF 5’000 will be required from all new students. This deposit is to cover any extraordinary costs which can arise during the student’s studies at EHL, for example damage to studios or other installations. The deposit will be reimbursed at the end of the student’s studies at EHL. *Interest earned on the deposit will accrue and be added to EHL’s scholarship fund, as part of the institution’s social responsibility policy for the education of students with financial difficulties*. Students who abandon their studies during the academic year must inform EHL of their decision one month before the beginning of the next academic session in order to be eligible to request a refund of the deposit.

These tariffs are defined based on the inflation rate forecasted by the Swiss National Bank (BNS). If there is a strong variation, EHL will make adjustments accordingly.

1 - TUITION
Tuition fees concern an academic year. Every course has exams that can be retaken; the cost of the retakes is charged on top of the tuition fees.

2 - FACILITIES AND SERVICES
This fee includes:
- access to the various restaurants, services and sport facilities;
- the materials used in the theoretical and practical courses (wines, utensils, etc.);
- the kitchen uniforms received at the beginning of the Preparatory Year;
- the fee for exam registration;
- copyright, licenses and translations;
- access to the Career Center (preparation for internships, the Job Fair and professional orientation);
- contribution to the student fund (organisation of events and extracurricular activities);
- access to alumni services;
- mandatory insurance which includes: complementary accident insurance, social responsibility insurance, flight insurance and a complementary insurance for I.T. equipment including theft and damage;
- counseling service (psychological support);
- recycling taxes.

3 - PREPAID FOOD AND BEVERAGE ACCOUNT (based on consumption)
At the beginning of each academic year, student cards are charged with a mandatory amount, considered as the minimum a student will spend on food and beverages. This card can be used in the various points of sale on campus. The prepaid amount must be used up before the end of the academic year and is not refundable. As part of the institution’s social responsibility policy for the education of students with financial difficulties, any remaining amount at the end of the semester is transferred to EHL’s scholarship fund. Students can recharge their card at any time.

4 - MANDATORY HEALTH INSURANCE (law)
A basic health and accident insurance is mandatory by law in Switzerland. Students whose fiscal residence is outside Switzerland (or whose parents have a fiscal residence outside Switzerland) at the time they start their studies at EHL are automatically enrolled in EHL’s accident and insurance plan. It is possible to be exempted from this insurance coverage by providing sufficient proof of adequate coverage to the Swiss authorities. Students whose fiscal residence is in Switzerland need to provide the school with a copy of their actual insurance plan.

5 - ON CAMPUS ACCOMMODATION (residence with hotel services)
Rooms on campus are optional. Prices vary according to the type of room. Rental contracts are issued for the duration of the academic year in which the student is enrolled. The prices indicated in the previous table are for the duration of an academic year, internships excluded. Heating, electricity and internet costs as well as cleaning once a week, bed linen and towels are included in the price. Students in the Preparatory Year who chose to stay on campus will share a room with one other person (same gender).
There is a tourist tax of CHF 15 per 15 days and this will be invoiced to students for the duration of the stay if their legal address is not in Switzerland (legal obligation).

6 - PARKING
Parking prices vary according to their distance from the main building. The prices indicated in the table are set for an academic year, and excludes vacations and internships. In the case when a parking space is not requested, EHL will reimburse up to 30% of the cost of a 3 zones public transport (TL) subscription bought by a student.

7 - SWISS AUTHORITIES
Administrative taxes are collected by the Swiss authorities for those persons who are in possession of a residence permit or valid visa. These may include other communal and cantonal fees. Amounts may vary according to the nationality of the student.
Students from outside the UE/AELE will be charged CHF 17’900 to obtain a visa. This amount is deducted from the first invoice.

8 - LAPTOP
All students are required to have a personal laptop which meets EHL standards. Information on the technical specifications of this notebook will be communicated to students upon acceptance to EHL and available on www.ehl.edu.

9 - TEXTBOOKS
Books and manuals required may be bought online or at EHL at the start of every academic year. Buying second hand books from current students is also a possibility.
