

Biology Syllabus

1. Bio - energy
2. Biotechnology
3. Circulation
4. Reproduction
5. Respiration
6. Classification of Sexual Reproduction in Angiosperms
7. Classification of Chordata
8. Community Health Services & Measures
9. Conquest of Land
10. Domestication of Plants
11. Photosynthesis
12. Pollution
13. Domestication of Animals
14. Evolution
15. Excretion and Osmoregulation
16. Fertilizers
17. Pesticides and Biological Methods of Pest Control
18. Human Diseases and their Control
19. Genes
20. Hormonal Coordination
21. Human Evolution
22. Human Population
23. Human Skeleton
24. Locomotion
25. Mendel's Law of Inheritance
26. Nervous Coordination
27. Sex Determination and Sex Linkage
