

Physics Syllabus

1. Rotational Motion
2. Simple Harmonic Motion
3. Thermionic Emission
4. Wave
5. Theory of Light
6. Semi Conductors
7. Properties of Fluids
8. Magnetic Effect of Electric Current
9. Gravitation
10. Electrostatics
11. Atoms Molecules and Nuclei
12. Circular Motion
13. Current Electricity
14. Electromagnetic Induction
15. Electrons and Photons
16. Kinetic Theory of Gases
17. Radiation
