

## About Aru Classes

Aru Coaching Classes is dedicated to develop excellence in students. Our team includes highly qualified and recognized staff with sound knowledge of the subject. The Class was established in the year 2000 to promote higher educational standards. The entire programs are designed to give students a solid grounding in the basics of Science, Maths and English and supply the tools and encouragement for students to develop their own approaches. A limited number of students are accepted annually to ensure a small class setting. Students are expected to be independent learners with class time being focused on discussions and go beyond the material available in the texts.

Arundhati Nalawade

Founder and Director

Qualification : M sc, M Phil, B. Ed.
